

# Sell Gateway, Support and Services packages to your SMB customers and receive an increased discount rate on the whole bundle!

Single SKU with one year, three years or five-year options, NGTF, NGTP, or NGTX services and Direct or Collaborative support options.

Click on the appliance of choice to build the bundle and upon adding the selected option to the cart – The larger “Category P” discount will be applied on the **whole deal**, including the service and support elements that otherwise would receive “Category S” discounts.
