ROAD CASE EQUIPMENT FOR EASY DEPLOYMENT

Combine a mobile stand with a road case to provide secure and convenient transport of your display.

LOW-PROFILE CABINETS

Low-profile, shallow depth credenzas are sleek, streamlined solutions for supporting AV/IT technology. Our innovative design conceals all equipment and cables, and simple installation allows them to be affixed to any wall without special preparation. A unique, shallow depth provides a comfortable working position for interactive display users.

Low Profile Credenza, 12" Deep with integrated panel mount, supports up to 300lbs, doesn't require structural wall support for installation. Vertical Rack Mounting (3RU), Interior Shelves included, Factory assembled , heavy duty phenolic tops resist scratching.
