

## Solutions for Discontinued and Refreshed Products

TDSourcing enables you to support end-user generated demand for a full range of high-quality discontinued, refreshed, and hard-to-find products, in a fast and efficient way.

We extend your reach to the valuable demand tail that remains for products after they have been discontinued.

We are dedicated to the channel and will never sell direct to your end-user. You can offer your end customer a wider range of product and pricing options, delivered with the reliability, security, and service they expect.

### Leading the way in EOL and Refreshed products

We are the leader in sourcing and distributing authentic end-of-life and hard-to-find IT hardware.

### Keep It Simple Sourcing

Our team has years of expertise sourcing over 30 leading brands, which enables you to better support your customers.

## End-of-Life Refurbished Open Source

### You Need It We Got It

We have thousands of products stocked and ready to ship same day, and thousands more just 2-3 days away via direct shipping.

### Quality Guaranteed

We adhere to strict quality control procedures to ensure 100% authentic products, and we back it with industry leading advanced replacement warranties.

### One Stop Shopping

We are your single source to fill the need for End-of-Life and Refreshed products.

## WHY US?

### EXPERIENCE COUNTS

Our experts have been supplying end-of-life products safely through the channel for almost a decade. We set the standard and understand how to help you get the products you need without any of the hassle that could come from dealing with brokers or unknown sellers.

### WHOLEHEARTED INVESTMENT

We have a passionate team that believes in what we do, and we strive to put our best foot forward everyday. We work hard, play hard, and give back too. We are dedicated to being involved with our local community.

### IN STOCK AND READY

We have thousands of products stocked and ready to ship the same day, with thousands more just 2-3 days away via direct ship.

### NEW / REFURBISHED / HARD-TO-FIND

TDSourcing offers a wide range of products to fit a wide range of end user budgets and needs. All of our products are new, unless specified as refreshed / refurbished. We also offer industry-leading warranties lasting three years on all system products and one year on components.

### CHANNEL TRUSTED

We help you and your customers avoid the confusion of the gray market. We are channel friendly and don't sell to end users. You can trust our experts to become an extension of your sales force, helping you respond faster, increasing customer satisfaction and loyalty.

### YOU NAME IT, WE CAN FIND IT

With a catalog of over 15,000 SKUs available to ship within 2-3 days we have a huge assortment of products in our catalog ready to go. In addition, we can find just about anything you're looking for. If you're having trouble finding it, let our team work for you to fulfill that end-user generated demand.

### FAST RESPONSE TIME

The TDSourcing Sales & Customer Service teams are always ready to provide an immediate response to ensure quick turn arounds of quotes. TDSourcing has a 2-hour SLA, but most often you will hear back from a team member within 15 minutes.

### ALWAYS AUTHENTIC

All products are vetted by our in house quality control team prior to shipping. This keeps you and your customers safe from brokers who may not accurately list the condition of the product.

### SECURE DROP SHIPPING

DirectShips only ship from our facility. All products come through our own warehouse for quality control, and all products ship out of our own warehouse to ensure confidentiality and product authenticity. There are absolutely no drop ships from other companies; products going out to your customers will always be touched by a TDSourcing employee.
