# More from the Pro you know

Meet the new Surface Pro 7 for Business

A 2-in-1 for all the ways you work

Work your way as Surface Pro 7 moves from an ultra-light and versatile laptop, to a powerful tablet, to a portable studio. With better connectivity than ever with USB-C™ and USB-A ports for connecting to displays and docks, and charging your phone and accessories, Surface Pro 7 shows up in all the ways work and life demand.

Next-gen power that's ready when you are

New Surface Pro 7 moves at the speed of your business, running your essential business apps with faster multitasking and improved graphics. Get more power than ever with the latest 10th Gen Intel® Core™ processor and all-day battery life,[1] and get back to work quickly with Instant On, Fast Charging, and improved standby.

Powerful graphics to fuel creatvity

We've optimized with improvements you asked for, while keeping design consistent so you can continue to use the accessories and Type Covers you've already got. Available in Platinum or Matte Black, you also have the option to add stunning new colors[2] to your Type Covers* assortment.

Microsoft Surface Pro 7

Makes the most of Microsoft 365

Modernize your workplace with connected experiences from Surface and Microsoft 365,* the cloud-powered productivity service that empowers people, data, and systems to communicate in new ways. The advanced security management capabilities of Windows 10 Pro are built into Surface devices, making them reliable, protected, and easy to deploy and manage.

Office 365
